

JEFFERY SMALL

9525 Graystoke Lane | Orlando, FL 32817

Founding member of OCBOA Consulting, LLC

OBJECTIVE

Create a company that provides professional services to Florida's investor owned utilities to navigate an increasingly complicated regulatory environment.

SKILLS PROFILE

Superior accounting and auditing experience in the specialized regulated accounting field for the investor owned private utility industry. I have considerable experience and have performed a variety of financial and rate case audits of the electric, natural gas, water and wastewater utility's operating in Florida.

EMPLOYMENT HISTORY

Regulatory Analyst Supervisor

Feb 2014 to Jan 2016

Miami, FL

Office manager for the Miami District office where I, supervised, directed and reviewed the audit work performed by four staff auditors.

Field Auditor

Jan 1994 to Jan 2014

Orlando, FL

Advanced five levels of increasing responsibility from Regulatory Analyst to Professional Accountant Specialist performing field audits of electric, natural gas, water and wastewater utility's operating in Florida. Managed and directed some of the most complex audits of multiple utility's with multiple staff.

EDUCATION

Tampa, FL

Bachelor of Arts in Accounting - University of South Florida, 1991

CERTIFICATIONS

Florida Certified Public Accountant (CPA) - since 1995

OTHER INTEREST

Ten year volunteer for Shepherd's Hope, an Orlando faith based organization that provides free health care to uninsured or underinsured individuals in the Central Florida area.
